Your partner in production

Specialized Services

When production pressures mount, you can save the time involved and then the money spent to hire and train extra people by calling Mainstreet Enterprises.

Flexible... that is our company. We want to provide you with a work force that fits your company needs exactly. Request what you want and we'll make it work.

We can put a team of up to 50 capable people to work for you... at a moment's notice. It's like having 50 extra employees on your workforce - when you need them - only when you need them, with no added overhead. By having your regular work force work on other production tasks, you can increase your volume.

We offer the following services which allow you to expand your capabilities:

- ◆ Temporary Work Crews
- ◆ Assembly
- ◆ Mailings
- ◆ Order Fulfillment
- ◆ Light Rework
- ◆ Collating
- ◆ Cleaning, Inspecting and Repairing
- ◆ Pick-up & Delivery Services by Van/Box Truck
- ◆ Mobile Cleaning Crews

Your Outsource Specialists

Time and Money Savings

Mainstreet Enterprises spares you the problems and expenses involved in obtaining extra equipment and manpower to complete a production or janitorial task.

Our competitive pricing ensures an economical, quality job compared to similar services offered elsewhere.

Objectively speaking, Mainstreet is usually the more economical choice over handling production or janitorial jobs in-house.

Production Facilities

We have a production facility at our location to meet your need. To complete a wide variety of production jobs and the shipping they entail, we also own equipment such as:

- ◆ Forklifts ◆ Hand Trucks
- ◆ Pneumatic Air Tools
- ◆ Bindery Folders
- ◆ Drill Presses ◆ Heat Sealers
- ◆ Box Truck ◆ Delivery Vans

A Great Way for You to Keep Ahead
